

POINT BEACH ENERGY CENTER PRESENTS:

Have fun with Bubbles, Robots, Chemistry and Celebrate Earth Day at the Point Beach Energy Center!

Sunday, April 27 - 11 a.m. to 4 p.m.

“Bubblology” will be presented at noon, 1:30 and 3 p.m. – learn how to make square bubbles, bubbles inside of bubbles and multi-sided bubbles!

Have fun with the hands on science experiments of the UW-Manitowoc Chemistry Club.

Program a robot or make a robot throw a Frisbee with Lakeshore FIRST Robotics and Lego League.

To mark Earth Day, make a kite and weather permitting, fly it alongside the kites of Unique Flying Object.

Free admission and refreshments

Located 10 miles north of Two Rivers, east of Hwy 42 (6400 Nuclear Road, Two Rivers)

For more info call 1-800-880-8463 or 755-6400
